FOOTBALL

COACH ("RUDY") YUELL
DIRECTOR OF ATHLETICS

Youell is completing his second year as Hiwassee's mentor. Faced with seven letter men back and a good squad of new material on the field, it seemed as if the team was headed for a banner year on the gridiron. The injury jinx stepped in early, however, and not at any time during the season was the team in possession of its full strength. "Coach" worked with untiring efforts, and fought with them to the end. "Coach's" ability is sure to bring in the results, and we are expecting great things next year.

RALPH ("SLEEPY") WADE
CAPTAIN

"Sleepy" was on crutches most of the season; but when in the game, he showed his ability with his precision in directing the plays of the team as well as with his runs. This was his second year as our quarterback, and his courage in the face of odds and his leadership will make him sorely missed.

CHARLES HORNE
MANAGER

Horne was a businesslike Manager, who performed his duties willingly and well.

FOOTBALL

VICTOR BAKER, END

A hard-fighting end. Always down under punts. A good pass receiver. Dick showed us some of the best defensive work of the year.

SYD SILER, QUARTERBACK

Siler is a snappy field general, with nice kicking and passing ability. Siler's gains usually came at moments when they were sorely needed.

TOM FURGASON, TACKLE

"Firpo" is a hard-hitting, hard-fighting defensive lineman. He went into battle with a yell, and he loves a good scrap.

J. A. YUELL, TACKLE

"Jay" rendered great service with his fighting aggressiveness; and if he likes anything better than one hard scrap, it's two.

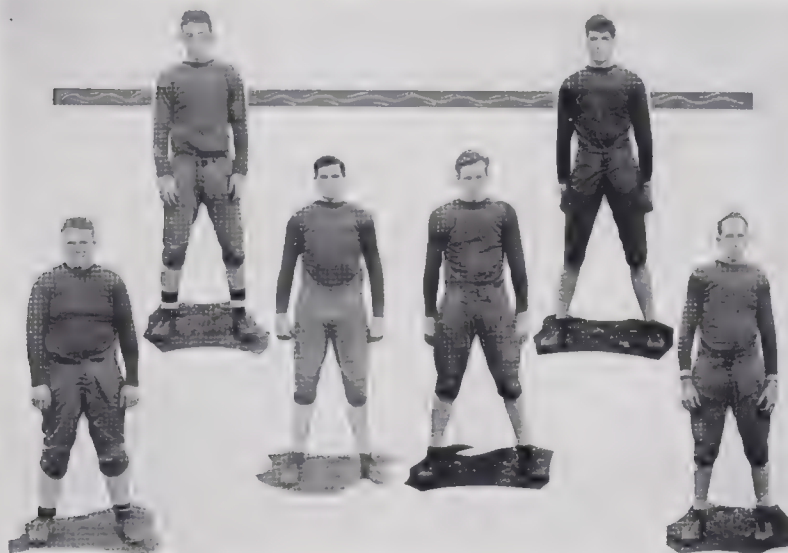

VASTINE WILDSMITH, HALFBACK

"Teen" was one of the main cogs on the offense, due to his accurate passing ability. Pluck and game-ness are two of "Teen's" main assets. "Teen," old man, we hate to lose you.

MASON STEWART, GUARD

"Bud" is a hard-fighting man, who never gives up. He missed his letter by only a small margin. Come back, "Bud," and show them how.

FOOTBALL

JOHN REEDY, TACKLE

"Big John" was a good tackle and hard to shake. He rendered valuable service to the team throughout the season.

CLYDE BROCK, FULLBACK

Brock is a great defensive back, and he gained consistently with his bone-crushing drives at the line. He was elected Co-Captain for next year.

GLENN COLLEY, TACKLE

A big man, with grit and determination, which made him an important cog in the machine.

CHARLES WHEELER, GUARD

Charlie proved himself a natural-born football player, and displayed a fighting "stick-to-it" spirit.

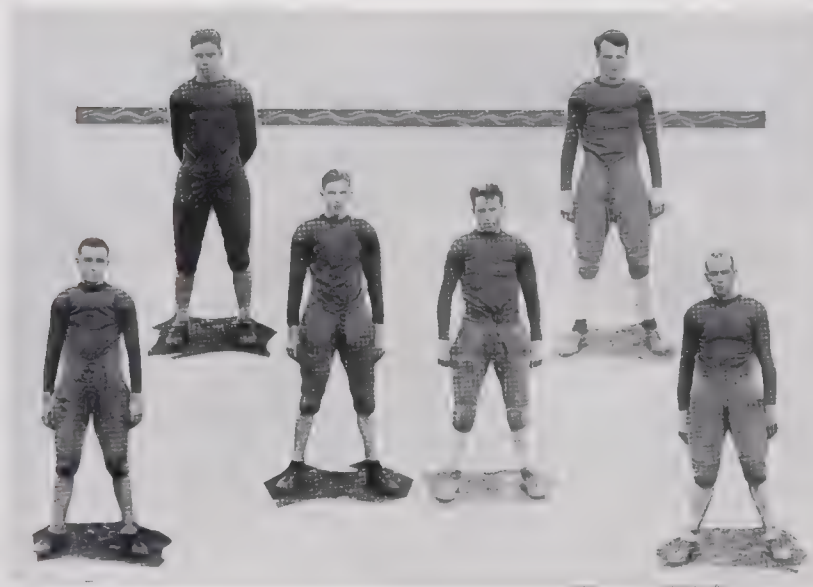

ROBERT FISHER, HALFBACK

"Bob" is a twisting ball-toting halfback and a good pass receiver. His long spirals down the field always kept the enemy at bay.

FRANK McBRIDE, CENTER

Our veteran Center held down his position in grand style this season, his last year. Service rendered is all to "Hush's" credit. We are sorry to lose you, "Hush."

FOOTBALL

ALBERT HOCKENJOS, GUARD

"Hock" proved himself a good lineman, with plenty of scrap. Injuries kept "Hock" from making his letter.

EARL GILLESPIE, HALFBACK

"Pug" was a package of so much dynamite. A hard-running back, who liked to crack them. When "Pug" hit them, they stayed hit. "Pug's" late start kept him from making a letter.

RAY FAWBUSH, END

Ray's ability brought praise not only from his teammates, but his opponents as well. Ray was an exceptional end in every sense of the word—one of the best that ever donned the Maroon and Gold. This was Ray's last year, and he will be sorely missed.

HOWARD HAMM, END

"Ham" was a good defensive man, and played his last year for dear old H. C. He gave a great exhibition against Johnson City Teachers.

TROY JESSEE, GUARD

TNT travels in small packages. So does "Jesse." He was one of the outstanding "finds" of the year. He was elected Co-Captain for next year.

JOHN O. YUELL, GUARD

"Porky" showed his ability again this year—a strong link in the chain. His work was of the highest type. We sure hate to lose you, "Grandfather."

In your dear old room

My Dearest Cornelia:

I think I should write in the feature section, now honestly, don't you? They couldn't put my picture in all the places so they decided to leave it out all together.

We've had such a grand time here for the last two years (if I did have a "flight o' fancy" and ruin it for one quarter) 'n' I've enjoyed every minute I've spent with you. You've simply been grand to me 'n' I love you oh so much for it.

I've enjoyed all those many serious talks we've had as well as the crazy ones and our walks 'n' weekends together.

One time in my life I didn't take your advice and I see where it got me, from now on I'm taking it and I'm not making any more errors in my life or at least I'm gonna try not to. C? Remember my promise to have a conference? Well, I want the same from you. 'n' I'd better get it, too.

I'm hoping we get to go to U. I. together sometime before we die.

I'm wishing that you get the very best things, that God could bestow on any one person, in life.

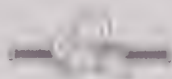

I love you and I won't forget all those little favors you've done for me
Just - "Babe"
